As a Certified College Consultant you play a critical role in the success of the HIFE College Planning Program. In an effort to recognize those Consultants that truly embrace this role, HIFE encourages you to achieve the next level of recognition. You will not only be recognized monthly on HIFE's website but you will also be building your practice.

NOTE: Your start date begins from the day you are notified that you have passed your certification exam. Enrollment and payment must be submitted within the allotted period in order to qualify.
